SANGUINELLO & POMEGRANATE BODY-MILK MASSAGE

50 minutes

Inspired by ancient Japanese skin care, this light lotion feels blissful when massaged into sun-parched or winter-weary skin. Lush with raw honey and power-packed rice bran oil and infused with delightful fragrance and beneficial botanical extracts, it soothes, relaxes and revitalizes.

BRIGHTENING FACIAL

50 minutes

This facial will delight your senses with the familiar fall scents of cranberry, pumpkin and all the richness of autumn. An enzymatic treatment lightens summer pigments and restores your skin's inner hydration and healthy beauty. Your treatment includes cleansing, exfoliation, steam, extractions, toning, and a whitening/collagen veil masque.

PUMPKIN MASK COCOON

50 minutes

This deliciously spicy, skin-purifying pumpkin enzyme masque is a natural, gentle enzyme "peel." It gently exfoliates dead skin cells and impurities as your skin absorbs the botanical healing power of pumpkin, leaving it cleansed and silky soft.
